Experience hands-on history at Jamestown Settlement and the American Revolution Museum at Yorktown, conveniently located within 20 minutes of each other in the heart of our nation's beginnings. Explore the stories of America's earliest adventures from the first permanent English settlement to the last great victory of the Revolution at these two living-history museums where real history is real fun.

Take an active role and make your own memorable moments in history. Set sail to the past aboard a re-creation of the ships colonists' sailed to Virginia and aim to have fun alongside an artillery crew for a Continental Army cannon firing.
